Coaches are responsible for knowing all of Sports City's league policies. Sports City accepts credit card or debit card payments only (MasterCard or Visa only).

TEAM REGISTRATION AND FINAL PAYMENTS

Deposit and league fees are non-refundable and non-transferable.

Final Payments:

1. Minimum amount of \$400* is due prior to kick-off of the 1st game. If this amount isn't paid, the team will have 1 business day to make that payment or the team will be dropped from the league and no refunds will be issued. (*\$300 for Futsal)
2. The remaining balance must be paid in full before kick-off of the 2nd game or the team will not be allowed to play in that game and will be dropped from the league.

LATE REGISTRATION

Teams that register after the registration deadline will be subject to a \$50 late registration fee.

ROSTERS

Player rosters must be completed (including member ID number) and submitted at time of registration. The maximum roster size is 16* (*10 for Futsal). Your team will not be scheduled without a submitted roster. If you wish to add a player(s) you must do so one business day prior to your game and via the business office Monday-Friday 9:00am-5:00pm. For example if your team plays on Sunday you must submit the request by Thursday at 5:00pm to allow review and approval on Friday. There will be no exceptions to this policy. Changes will be permitted prior to the 3rd game. Failure to comply will result in forfeiture of all games played with illegal player(s). Players may only be added later at the discretion of management. A team may claim hardship and add one player after the third game for a fee of \$25.00. Another player must be removed from the roster for the remainder of the session. No more than three players who have a higher skill level (than the team registering) are allowed on the roster. Sports City will determine level of players. Players may not play on two teams in the same division and level. Games will result in a forfeit.

Leagues will have promotion and relegation to ensure players and teams are, as much as possible, playing against appropriate levels of competition. Many variables go into aligning divisions. Your skill information, although important, does not guarantee the division that your team will be placed into. Every effort will be made to create parity in a division. However, Sports City does not guarantee quality of play. League alignments,

times and days of game may vary from session to session in an attempt to balance leagues. Schedules will be posted on DASH the week leagues start. Teams requesting a rescheduled game must give 10 days notice and pay the reschedule fee (Reschedule Form). See league and player information for more detailed information.

requests but when other factors such as field availability, holidays and other team requests need to be considered, it's impossible to accommodate every team.

- The score in a forfeited game will be a 3-0 loss for the forfeiting team. In the event that a team chooses to forfeit a game in progress, the score at the time may be recorded if it is more beneficial to the winning team in regards to standings tiebreakers.

League Division Ties

The following tie breaking system order shall govern any league divisions ending in a tie at the end of the league session. These are NOT automatically calculated in the league standings reports on our website. Sports City will declare champions and/or distribute awards when I champion is mathematically calculated by management.

- 2nd – Comparison of least "goals against" during the session.
